

COACH "A" FOUNDATION

*P. O. Box 173
Mason, OH 45040
513-439-3037*

Greetings,

My name is Josh Abernathy and I am a representative of the Coach "A" Foundation. We are a non-profit organization whose mission is to seek out, research and partner with those who support the development of young people to their full potential by focusing on healthy self-esteem, goal setting, hard work, sacrifice, and discipline. The foundation is trying to continue the work of Coach Larry Abernathy who passed away from pancreatic cancer on December 15, 2017. Larry coached many sports over the years and mentored a group of young men at Center Pointe Christian Church, where he served as Chairman of the Elders the last five years of his life.

We are starting a scholarship program in 2019 for two high school graduating seniors who exhibit the above-mentioned qualities that Coach "A" inspired in all his players and other youth in the community. These scholarships will be for \$2,000 each and be awarded in May of 2019. The application and its requirements are included with this letter. Along with the requirements mentioned in the scholarship, we are looking for someone with excellence in character and faith in Christ.

Please forward this on to any graduating seniors that might be interested in this scholarship. Please do not hesitate to contact me with any questions you might have. My information is below.

Best Regards,

Josh Abernathy
