

“Continuing the legacy of Larry Abernathy”

*6338 Snider Rd.
Unit 173
Mason, OH 45040*

Greetings,

My name is Josh Abernathy, and I am the director of the Coach “A” Foundation. We are a non-profit organization whose mission is to seek out, research, and partner with those who support the development of young people to their full potential by focusing on healthy self-esteem, goal setting, hard work, sacrifice, and discipline. The foundation is continuing the work of Coach Larry Abernathy who passed away from pancreatic cancer on December 15, 2017. Larry coached many sports over the years and mentored a group of young men at Center Pointe Christian Church, where he served as Chairman of the Elders the last five years of his life.

We are beginning our third annual scholarship program for 2021, seeking two high school graduating seniors who exhibit the above-mentioned qualities that Coach “A” inspired in all youth, someone with excellence in character and faith in Christ. These scholarships will be for \$2,000 each and be awarded in May of 2021. The application and its requirements are included with this letter.

Please forward this information on to any graduating seniors who might be interested in this scholarship. Please do not hesitate to contact me with any questions you might have. My information is below.

Best Regards,

Josh Abernathy
Director
